PLEASE remind students to **CHECK** their school email **regularly**.

If students have forgotten their login details/password email:

pyabsley524@shimna.newcastle.ni.sch.uk

Students can use the app **SCANNABLE** when they have completed work that they would like marked by teachers, they can scan the work using their phone and email to their teacher.

How to log into Fronter and Google classroom from home

To log into your school account from home, please use the following web address:

www.c2kschools.net

You will then be required to type in your school username and password.

This will then direct you to your MY-SCHOOL page

You will have to click on the + icon and join a class.

Your teacher will send you a code to enter

Once the code is entered, you will have access to the class materials for that particular class

Good Luck 😊
