

## **EDUCATION COMMITTEE REMIT**

The main functions of the Education Committee are as follows:

- To ensure that the compulsory curriculum is fully implemented within the college;
- To ensure that the curriculum provision in the college is consistent with Department of Education proposals and requirements.
- To contribute to the discussion and debate of curriculum provision in the college;
- To contribute to and monitor the implementation of, the college development plan;
- To approve the implementation of curriculum initiatives from external bodies and groups.
- To hear progress reports of the implementation of the specialist school programme.
- To review all policies related to the curriculum and pastoral provision within the college;
- To review the annual GCSE and A-level examination results;
- To hear oral reports from heads of department and teachers in the college;
- To make report and recommendations to the Board of Governors;
